Uniform Policy September 2025 – Please note, this letter is 5 pages

Dear Parent/Carer,

I am writing regarding the uniform policy from September 2025. The policy remains unchanged but, I would like to highlight some areas which we need to ensure all children are following. We have seen a growing number of children not wearing the correct footwear and PE kit so, please ensure you are fully aware of the expectations before purchasing uniform for September. It is important that all children wear the correct uniform to ensure it is fair and consistent across school. Our uniform policy is designed to be as affordable as possible and we do not expect jumpers with logos or branded PE kit.

Should children arrive at school in the incorrect uniform/PE Kit, the class teacher will contact the parent to discuss this and ask for the correct uniform to be brought to school.

Uniform Policy

The full policy can be found by following the link below:

<https://greswellprimary.net/uniform/>

Head bands, Jewellery and Make-up

Headbands should be small and plain. They should not have large bows/flowers etc on them.

Jewellery is not allowed in school (apart from stud earrings) and make-up, including false nails, is not permitted.

Drinks

Children should have a refillable bottle in school so they can drink water throughout the day. They should only drink water and not bring flavoured water or juice into the classroom. If it is brought to our attention that a child has flavoured water/juice, they will only have access to this at lunchtime.

Second Hand Uniform

The Barnardo's Charity shop, Manchester Road, Denton have kindly offered to help us provide a second-hand outlet for our uniform. If you have any used uniform, in good condition, please drop it at the shop and it will then be available for sale in August. Donations need to be in good condition and washed please.

Community Trust

Footwear

Plain black footwear must be worn. Shoes/trainers with any colouring are not allowed. We are seeing a number of children wearing trainers which are different colours and this is not part of our policy. Plain black boots are allowed up to ankle length. Boots above the ankle are not to be worn during the school day. Children who wear the incorrect footwear will be asked to wear school pumps whilst in the classroom.

Acceptable Footwear for School

Any plain black school shoe.

Plain black trainers with a black sole and no colouring.

Plain black, ankle length boot.

Not Acceptable Footwear for School

Trainers with colouring or trainers with a sole which is not black.

Boots with colouring or boots above ankle length.

PE Kit

We have seen a significant number of children not wearing the correct PE kit. We allow children to wear their PE kit to school so it is easier for parents, children and staff. If we do not see an improvement, we may have to go back to getting changed in school for PE which we want to avoid.

The children are expected to wear the following on their PE days:

- Plain black or grey tracksuit (these may include a small brand logo but no other colours or pictures)
- Plain black or grey shorts
- Plain White/light blue t-shirt (The school polo shirts are suitable) No football shirts or large logos are allowed. A small logo (as seen below) is acceptable.
- Footwear suitable for sporting activities

Acceptable PE Kit

Unsuitable PE Kit

Thank you for ensuring your child follows these expectations from September 2025.

Mr Cooper
PROUD Headteacher
