Y1 Trip to Manchester and Science and Industry Museum

Hello,

We are very excited to take the Year 1 children to Manchester to support their learning in Geography and History on Thursday 14th May 2026.

We will start the trip and Manchester Science and Industry museum, learning about how Manchester was the leading city in the Industrial Revolution through the cotton industry. In the afternoon, we will visit the Roman Forts, Bridgewater Canal (the 1st canal in the world!) and looking at how the Manchester skyline has changed.

We will be leaving school promptly at 9:20am and returning for the end of the day.

The cost of the trip is £7.00 and payment should be made by Friday 1st May.

If your child is on Pupil Premium then no payment is required.

Lunches

If your child has packed lunches, they will need to bring their lunch in a **named** carrier bag.

If your child is on school dinners, they will have already ordered a grab-bag. You can supply them with a lunch yourself, if you prefer, in a **named** carrier bag. Please inform the school office if your child **DOES NOT** require a grab bag.

All children must have a **named** water bottle that can be thrown away (this can be refilled at the nets if needed). Reuseable bottles will not be taken on the day, as we cannot be held responsible if they are left/lost.

Clothing

Children will need to wear their school uniform. Please look at the weather report on the day to decide if a raincoat or suncream is required. Children will be responsible for their own belongings.

If you have any questions, please see your child's **class teacher** who will be happy to answer queries.

Many thanks

Year 1 Team
