

Academic year September 2025- July 2026

Details of Sport Premium Grant	
Amount of sport premium grant received:	£19,505

Greswell's Ethos for Pupil Premium Grant

The DfE states that effective use of the sport premium grant should ensure that improvement is seen across 5 key indicators. These are as follows:

1. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 60 minutes of physical activity a day in school.
2. The profile of PE and sport being raised across school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Greswell Primary School continues to commit to spending in an effective and useful manner. Over the course of the year the expenditure will ensure that the 5 key indicators set out by the DfE are met.

Record of spending for academic year 2025/26				
Item/project	cost	Intended outcome	Impact/Key indicators met (by number)	Sustainability/Next steps
