

KidsZone

Tel: 0161 713 0615 (during open hours only)

Welcome to our first Kidszone newsletter. We hope you find it useful to learn about what is going on in before and after school club.

NEWSLETTER 1 - AUTUMN 2026

UPCOMING EVENTS

The following activities are always ready for the children to access if they wish to;

- Lego
- Drawing and colouring
- Board Games
- Outdoor sport games
- Playdoh
- Dolls and play characters

We also have a range of new toys and activities which will be introduced from September including a doll's house, dress-up sets, a sand farm set, a work bench and a tool kit.

RSPB Feed the Birds Day takes place on 29th October during the school holidays. We will therefore be having activities W/C 19th October including a bird colouring competition with prizes, wordsearches and a bird hunt. We also will be making bird feeders to take home during the week's afternoon sessions. Please log into ParentPay and purchase a birdfeeder for £2.00 if you would like your child to take part. Your child(red) must be booked in to Kidszone w/c 19th October, any afternoon, to take part.

Please note once the feeders come home that RSPB currently advises **not feeding birds between 1 May and 31 October** due to disease risks such as trichomonosis, but winter feeding is encouraged.

Who's WHO in Kidszone?

Miss Walker - Kidszone Manager

Mrs Warbrick - Childcare Assistant

Mrs Kantel - Childcare Assistant

Mrs Taggart - Childcare Assistant

Miss Schofield - Childcare Assistant

Mrs Wildgoose - Childcare Assistant

Message from Miss Walker;

Please inform us urgently if your child has an allergy that we are not already aware of or any food intolerances.

Please also ensure that you are accompanying your child(ren) to the Kidszone main door at drop-off times (unless you have provided us with express walking to and from school information) and that you sign your child in and out accordingly on the register in case of fire or another emergency. Thank you for your co-operation.
