Behaviour and Rewards....How have we created the Greswell family we have today?

At Greswell Primary we develop children's character through our behaviour curriculum. In order to build character, we define the behaviours and habits that we expect pupils to demonstrate. We want to support our pupils to grow into adults who are polite, respectful, grateful and who always consider others.

We believe that as pupils practise these behaviours, over time they become automatic routines that positively shape how they feel about themselves and how other people perceive them.

At Greswell, we are PROUD

A photograph of a female teacher with glasses and a white shirt, smiling as she works with three young students (two girls and one boy) at a table. They are all focused on a task, possibly a craft or drawing project, with papers and materials on the table. The background is a bright, indoor setting with a plant and a window.

School Day

We have an open-door policy - TA's will be on the doors to greet our children and to relay any messages.

It is important that children are brought to school on time to complete morning work.

Please ensure your child is collected on time, including kidszone and after school clubs, as staff may have other commitments.

PE Kit

- Plain black or grey tracksuit (these may include a small brand logo but no other colours)
- Plain black or grey shorts
- White/blue t-shirt/polo shirt
- Trainers suitable for physical activity
- NO FOOTBALL KITS

School Dinners

If your child is on school dinners, it really helps us out if you can order with your child at home. It gives them more time to choose and you get to know what they are eating, as well as saving time in a morning at school.

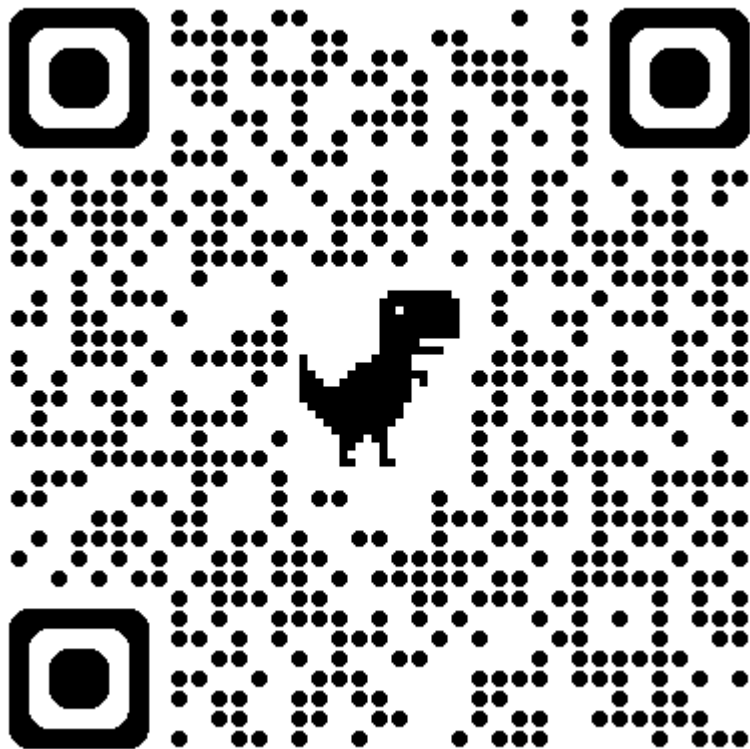

Remember if your child is on packed lunches, we are a "Healthy School" so ask that we provide your child with a 'healthy' lunchbox.

Morning Snack

Children can bring in their own healthy snack to enjoy during morning break.

Mrs Krool also kindly provides a selection of snacks for 30p during break time.

Home Learning

All homework is available to access on year group blogs.

It is important for you to encourage your child to complete homework as this supports their learning in class.
