Dear Parents and Carers,

Re: Snack Time Arrangements

We have been made aware that there have been conversations about children taking their snack outside during break times, and we would like to take this opportunity to clarify our school's approach.

It has always been our school policy that children can take their snack outside to enjoy during break time. We remind children that they should not run around while eating and encourage them to use the seating areas or walk while finishing their snack.

The majority of children manage this well, eating their snack before joining in with more active games and activities.

If you have any continued concerns about your child eating their snack outside, please speak to your child's class teacher as soon as possible. If you would prefer, we can arrange for your child's snack to be kept aside and sent home at the end of the school day.

Thank you, as always, for your continued support and cooperation.

Kind regards

Ambition
